

Greg CARTWRIGHT

3rd March 2018

Dear Greg,

**18/A/26 - Does level of frailty influence advance care planning for community hospital inpatients?**

Thank you for your e-mails dated 3rd March 2018, responding to the approval conditions detailed in my letter sent on 18<sup>th</sup> February 2018. You provide a satisfactory response to all the conditions.

**The Ethics Committee approves study 18/A/26.**

We wish you well with your study.

Yours sincerely

Senior Lecturer Karen Sanders  
Chair of School of Health and Social Care Ethics Committee
